Arusha Serena Hotel

Day 02

After breakfast, depart overland for Lake Manyara National Park for your first wildlife experience. Two thirds of the park is taken up by the lake, which is a mass of moving pink from the flamingoes which make the soda lake their seasonal home during the wet season. Aside from the largest concentration of baboons in the world, other notable park residents include the tree-climbing lions. As one of the smallest parks in Tanzania, it is a microcosm of the Tanzania safari experience.

(Breakfast, Lunch, Dinner)

Ngorongoro Farm House

Day 03

A highlight awaits you this morning as you descend to the floor of the Ngorongoro Crater, commonly referred to as the world's largest wildlife zoo. The crater floor is comprised of several distinct areas, ranging from forest, swamps, lakes and springs, to open grassland and some sandy dunes. With more than 30,000 resident animals, it is an awe-inspiring wildlife experience.
